PROFESSIONAL EDUCATION IN BREASTFEEDING AND LACTATION

Excellence in Care with The Ten Steps at Yukon Kuskokwim Health Corporation

Two 2-day workshops
May 29-30, 8am - 5pm
Aug 14-15, 8am - 5pm

Attendance is required on both days, no partial credits can be provided.

Location: Yukon Kuskokwim Health Corporation, Bethel

This two-day workshop

- advances evidence-based infant feeding policies and practices in the hospital or clinic
- explores the rapidly changing role of all healthcare professionals in caring for pregnant and new families
- assists hospitals and communities to provide the basics of early breastfeeding care with a focus on implementing *The Ten Steps to Successful Breastfeeding*
- provides the education cornerstone for hospitals who wish to pursue the designation of "Baby-Friendly"

Presented by Molly Pessl, RN BSN, IBCLC, FILCA, an internationally recognized expert in maternity and pediatric care and lactation. Ms. Pessl is owner and director of Evergreen Perinatal Education.
