Faculty: Molly Pessl, BSN, ICBLC | Christine Muenz, MA, CLE, CCE | Ginna Wall, RN, MN, IBCLC

## Course Description:

A complete, in-person core program to begin practice in evidence-based breastfeeding and lactation care. This five-day course is essential education for any healthcare professional or individual who works with new mothers and their newborns, or as the beginning process for becoming a lactation consultant (IBCLC). This in-depth, in-person course enables participants to provide accurate, current and consistent information about breastfeeding and lactation and to support new families in feeding their babies from birth through the process of weaning. Receive a certificate of completion as a **Lactation Educator** at conclusion of course.
