

Foundations for Best Practice in Lactation Care

2019 Dates:
Mon-Fri, March 25-29 or
Mon-Fri, June 24-28 or
Mon-Fri, September 16-20

Five-day program in evidence-based breastfeeding and lactation care. Completion enables you to provide accurate, current, and consistent information about breastfeeding and lactation and to support new families in feeding their babies from birth through the process of weaning. Join us if you are beginning the process to become a Lactation Consultant (IBCLC) or need to update your IBCLE CERPs. Counts for 45 hours towards IBLCE's Lactation Specific Education requirement.

Curriculum:

- Complete a Project on a Breastfeeding Topic of your Choice
- Complete an A&P Study Guide for Course Credit
- Participate in Classroom and Group Quizzes, Case Studies, and Scenario Practice Scripts
- Begin IBCLE Certification Exam Preparation
- Gain a Certificate of Completion as a Lactation Educator

Education Credits provided for IBCLE, International Commission on Dietetic Registration, California Board of Registered Nursing: visit our website for details.

AmeriCorps and MyCAA-approved program. 20% Bastyr Discount for Students, Staff, Faculty and Alumni. Military and other discounts available: email simkincenter@bastyr.edu
